TO,

RHINO DIESEL SERVICE

220/2A Poonamallee Bye Pass Road

Parivakkam Signal, Poonamallee,

Chennai-600056.

Dear Sir,

We would like to take this opportunity to express our sincere appreciation for considering DTDC Courier & Cargo—represented through our partnership—as a potential logistics provider for your esteemed organization's dispatch requirements.

Established in the year 1990, DTDC Express Ltd. has grown into one of India's foremost names in logistics and express distribution. Today, it stands among the top three players in the domestic courier industry, with a robust and expansive network comprising over **12,000+ successful franchisees**, **500+ operating facilities**, and service coverage extending to **over 14,000 pin codes** across the country. The strength of this network has allowed DTDC to maintain consistent and timely deliveries, even across remote and high-demand regions.

Guided by its vision to become the "Most Admired and Successful Express Distribution Company in India", DTDC continuously refines its service delivery by integrating cutting-edge technologies. From end-to-end digital parcel tracking to intelligent routing systems and data-driven dispatch, every touchpoint is engineered to enhance visibility, accuracy, and peace of mind for the end customer. DTDC's **Track & Trace portals (CTBS & ITBS)**, **website integrations**, and **SMS-based tracking** further enhance operational transparency.

The company also offers a spectrum of services tailored to suit varying client needs—including Express Parcel, Premium Air Cargo, Same Day Delivery (in select zones), COD (Cash on Delivery), Temperature-Controlled Shipping, and Diplomatic Services for sensitive consignments.

With this letter, we are pleased to extend a formal proposal for courier and cargo services to support your organization's pan-India distribution needs. Our solutions are designed not only to streamline your dispatch operations but also to complement your business goals through reliable service and proactive support.

We would be honoured to receive your thoughts and feedback, and hope to initiate a valuable and long-term business relationship with your team.

TERMS AND CONDITIONS:

1. The following items are strictly prohibited for shipment through our network: liquids, currency, cash, shares, gold, silver, precious stones, fragile materials, gas cylinders, radioactive substances, chemicals, explosives, open or uncrossed cheques, and bank instruments.
2. A fuel surcharge of **10%** will be applicable on every invoice. Additionally, GST at **18%** (as prescribed by the Government) will be levied on the total bill amount.
3. Invoices will be raised on a monthly basis, based on our internal accounts and dispatch records. Kindly note, submission of POD is not a condition for processing payments. Payments must be made in favour of M/s. **SHIVANI ENTERPRISES**, within 7 working days from invoice submission.
4. All non-document consignments (parcels) must be accompanied by four original copies of the invoice, along with any applicable statutory forms or declarations, as required by the respective state authorities.
5. Consignments are subject to reweighment and correction, if discrepancies are found. Charges will apply based on actual or volumetric weight, whichever is higher.
Air Mode: $(\text{Length} \times \text{Breadth} \times \text{Height}) \div 5000$
Surface Mode: $(\text{Length} \times \text{Breadth} \times \text{Height}) \div 4750$
6. Freight on Value (FOV) Charges:
 1. For shipments under Customer Risk: 0.02% of invoice value, with a minimum of ₹200
 2. For shipments under Carrier Risk: 2% of the invoice valueAll shipments are booked at the shipper's risk unless declared and covered appropriately. In case of any claim, a Certificate of Facts will be issued for insurance processing.

7. Pickup will be arranged on all working days, either on a regular schedule or on-call basis, depending on how frequently consignments are dispatched.
8. The rates offered in this quotation are based on the understanding of consistent shipment volume. Any significant deviation in volume may lead to tariff revision in mutual consultation.
9. The quote will remain valid for one year from the date of acceptance, and is renewable by mutual agreement thereafter.
10. Services will be extended only to destinations falling under DTDC's official list of serviceable pin codes, which is updated periodically. ODA charges will be applied for shipments beyond the regular delivery zone, based on the specific pin code.
11. The shipper is solely responsible for providing all necessary statutory documentation required for shipment transit. All applicable taxes, duties, and levies imposed by regulatory bodies must be borne by the shipper.
12. Proof of Delivery (POD) will be made available in electronic format via MIS or tracking systems. Hard copies or DRS (Delivery Run Sheets) will be shared only upon specific request during reconciliation or dispute handling.
13. The shipper is advised to inform the booking staff in advance if a consignment contains high-value or sensitive contents, to ensure necessary precautions during handling and transit.
14. In the event of a dispute or claim, the matter will be referred to Arbitration by a Sole Arbitrator appointed by DTDC. The proceedings will follow the Arbitration & Conciliation Act, 1996, and the venue shall be Chennai.

THANK YOU FOR YOUR BUSINESS!

Regards,

For SHIVANI ENTERPRISES
